We are happy to welcome Wayne Carroll to the directing team. Wayne is an experienced director who is returning after a break.

Friday night bridge returned in January. After a hiccup due to illness, we enjoyed what was very much a “team” event as in all players pitched in to make it a fun, social night.

Numbers at all weekday sessions have been high throughout January. Over twelve games we averaged just over eleven tables Monday to Wednesday. Master Pairs for February saw sixteen tables competing. A good mix of players with five pairs being Novices.

What was formerly Beginners Hi- Lo (1st and 3rd Sat) is currently being run as a standard duplicate session with a mix of players. Sylvia and Shirley have begun the 2026 beginner lessons, and the Saturday session will be reviewed once these lessons are finished.

Congress preparations are well underway, with a separate report provided.
