

Tournament Directors Report

April Meeting 2026

The Club held twenty one bridge sessions in March, nine of these were competition sessions including State Teams CSE x 2 days and Restricted Prs Champs x 2 days. Of the nine sessions scheduled on either Monday or Wednesday during April seven will be competition and two duplicate. Autumn Pairs is the only two day event and red points are on offer.

At this stage we still need more entries in the Teams of Three. Please speak to me if you need help forming a team.

Winners of the State Teams CSE were team Bodycote – Terry Bodycote, Sue Eishauer, Karl Buchmann and Jill Buchmann.

The programme booklet, which referred to this event as Country Teams, had already been printed and distributed before any notification was given.

Congratulations and best of luck at Coffs Harbour (September) for the Regional Finals.

The Restricted Pairs Championship took place on consecutive Thursdays, with Barbara Watt and Di Shanks winning North/South, while Ruth Watson and Jen Turville claimed the honours in East/West.

Congratulations ladies well played.

Denise Marr

Tournament Director
