

Tournament Directors Report

June Meeting 2026

Throughout April, May and June members have played or will play in approximately twenty competition sessions. These include ten opportunities for red points and three for gold points.

Congratulations to all that have done well in these games thus far plus it is a bonus having players try teams for the first time. Later in the year we will have an afternoon of teams at one of Nikki's Hi - Lo Saturdays.

We have been using the clock in all Monday and Wednesday sessions for the last 6-8 weeks. Using the clock helps to provide a tighter structure for each round and overall, the response from players has been positive.

Bridge NSW has approved our 2027 February Congress: Saturday 27th for pairs and Sunday 28th for teams. Ronnie Ng has agreed to direct. The Congress will appear on the ABF calendar shortly, with entries opening in the next couple of months. Eve Bannerman has kindly offered to coordinate all food-related arrangements. Thank you, Eve.

We are looking for volunteers to help make the Congress a success. If you can assist in any way, please let me know.
